

HHYC TUESDAY WOMEN'S SAIL NIGHT

Would you like more camaraderie on the water ?
Would you like to improve your skills,share them or try out
sailing ?

How about just getting to know other members.
We are looking for boat owners,Daysail members and all
interested women members.

Starting June 12th we're organizing a Women's Sail Night. We
start at 6PM. Depending on who signs up each week ,we will use
a mix of boats. If a group wants to focus on certain skills,like
picking up a mooring or taking the helm,we'll get you together on
one or two boats. Or, we may just want a lovely evening sail. The
agenda is open and will evolve.

Please contact Danielle Hanson at
daniru@optonline.com

And let her know
if you want to join in, whether you can bring a boat and your
particular interests.
